# FEATURES

**"LARGEST RANGE"**

**"SMALLEST DEEPEST, LONGEST WIDEST"**

**"DELIVERED ANYWHERE IN QUEENSLAND"**

**"NOW THAT'S AWESOME!!!"**

All our pools can be designed and built for inground and above ground

Pool can be purchased as a kit (filter, pump, cleaning equipment) or shell only

30 year structural warranty

Very easy to maintain and very low chemical requirements

Flexible in comparison to a concrete structure without cracking

Very smooth interior finish

The colour is built into the pool construction

Choice of 6 different colours

Can be installed in multi storey buildings

No formwork or piling is required

Never has to be repainted

Normally about half the cost of a completed concrete pool

In-floor cleaning system available
